### Homemade Fishcakes 15.95

Served with freshly prepared chips and tartare sauce

### Some things shouldn't change

We fry in traditional beef dripping - the northern way. That's what gives our fish and chips their legendary golden crunch, that made Harry Ramsden's world famous.

**Prefer vegetable oil?**

Just let us know, a separate pan is available.

3pcs 4.65 or 5pcs 6.45

Britain's favourite, Done right. Here's what goes into it.

### British Seasonal Potatoes

We source our potatoes from British farms, chosen variety by variety as the seasons change, for chips that are always at their best

### Icelandic cold waters

Our fish is caught in the clean, cold waters off Iceland, one of the world's most pristine fishing grounds, renowned for producing exceptional quality

### MSC certified sustainable

We're proud to serve only Marine Stewardship Council certified fish, independently verified to come from fisheries that protect the ocean for future generations
